

6th Annual California Anesthesia Medical Student Symposium

- **Learn about anesthesia residency life**
- **Practice procedures in the UCI SOM sim center**
- **Discover anesthesia residency programs**
- **Interact with anesthesia residents and attendings**

Join us for a fun day of anesthesia programming at the UC Irvine SOM campus! The symposium is designed for medical students, years 1-4, who are interested in pursuing a career in anesthesia.

This yearly event is a wonderful, unique opportunity to meet future colleagues and currently practicing anesthesiologists - and to sharpen your abilities in intubation, line placement, ultrasound, and codes!
