

7th Annual California Anesthesia Medical Student Symposium

September 22, 2018 | 7:30 a.m. to 4:30 p.m.

ANESTHESIA: WHAT'S NEXT IN TECH?

Join us for a day of speakers, panels and workshops at the UC Irvine School of Medicine campus. The symposium is designed for medical students, years 1-4, who are interested in pursuing a career in anesthesiology.

- Learn about different anesthesiology residency programs and residency life
- Practice procedures at the state-of-the art UC Irvine School of Medicine Medical Simulation Center
- Interact with current anesthesiology residents and program directors from across California

LOCATION

UC Irvine School of Medicine
Medical Education Building
836 Health Sciences Road
Irvine, CA 92697

REGISTRATION FEES

\$15 Early Registration
\$20 Late Registration (starting September 7)

CANCELLATION POLICY

A full refund will be given for any cancellations before September 7, 2018. If for any reason the symposium must be canceled or rescheduled a full refund will be issued.
