

University of California, Irvine School of Medicine
Department of Anesthesiology & Perioperative Care

2012 California Anesthesia Medical Student Symposium

“Discovering Anesthesia Subspecialties”

September 22, 2012 | 8:30AM - 4:30PM

This one day event will be an exciting opportunity for medical students to experience the interdisciplinary nature of the field with a

variety of lectures and hands-on workshops by top California anesthesiologists, and the opportunity to

network with California residency programs.

LOCATION:

University of California, Irvine - Medical Education Building
www.medsim.uci.edu

FEE:

Early Registration: \$30

Fee will increase to \$40 starting 2 weeks prior to the event.
